SIDE SEAM

Stitch the front and back together along the shoulder seam

Stitch together front the back along the side seam

Hem the bottom and cuffs

Finish the neck with a tiny roll hem.

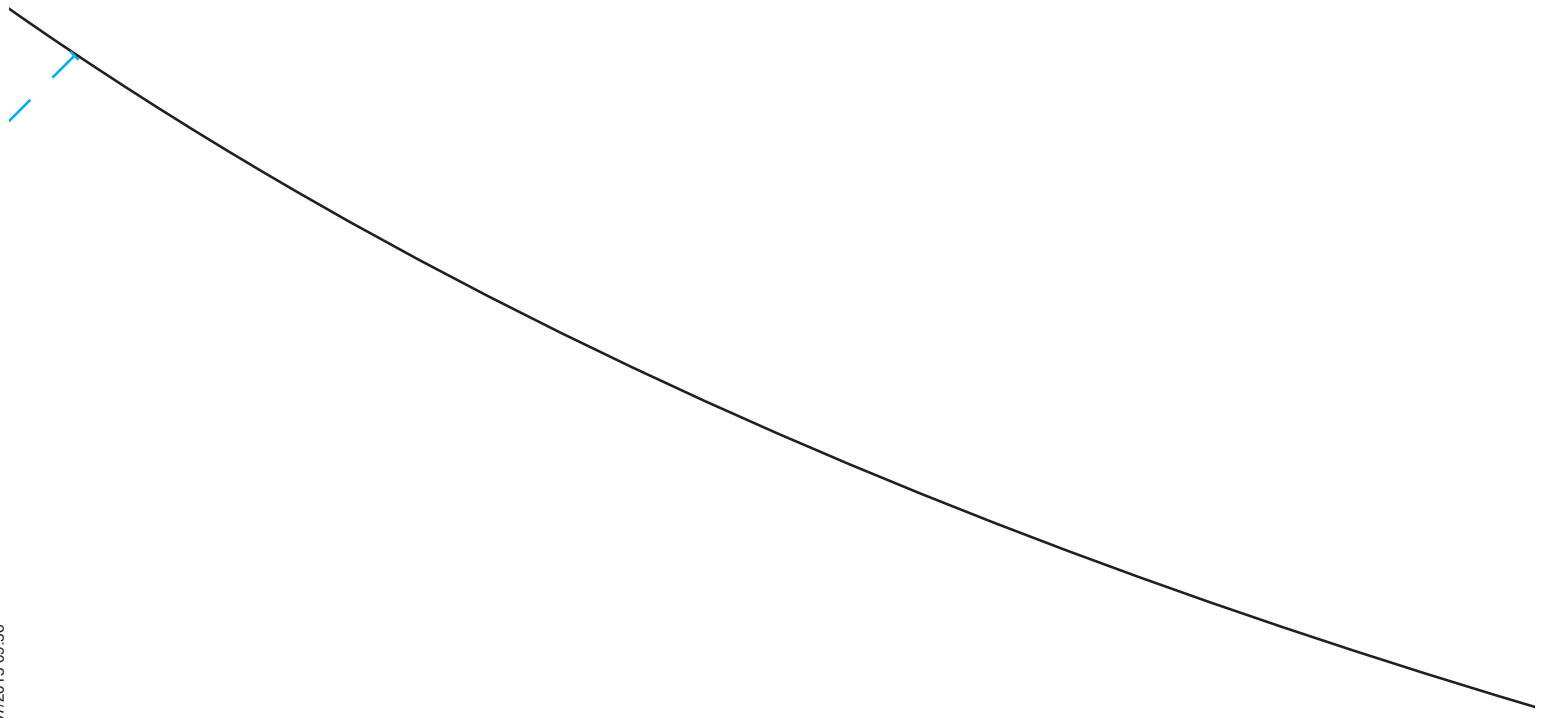

To edge the cuffs, sew the ribbon or bias binding into the right side of the fabric so that half its width is overhanging the end of the cuff.

Fold ribbon or bias binding in half lengthwise to cover the cuff edge and sew into place, tucking the ends under where they join.

If you are drawing out the pattern yourself, follow the blue measurements.
